

September 26, 2012

Dear Grade Two Parents or Guardians,

The students in B-2 have a couple of choices in how they present their heritage projects. The very first choice is to complete a board ("science fair" boards) with the information that they have to present. The second choice is a PowerPoint presentation with the information required for the project. A sample and template of the PowerPoint presentation is available on our class website at:

mrsflorexil.weebly.com (do not type www.)

1. Log on to the class website
2. Click on the homework tab
3. Followed by Projects
4. Finally Social Studies

If you have chosen to complete the PowerPoint Presentation, please email your PowerPoint no later than October 21, 2012 at fabiola_florexil@notes.k12.hi.us
A confirmation will be sent to you stating that it is readable and received.

Aloha,
Mrs. Florexil
